

A Program of FAMILY RESOURCES

***Any Kid Anywhere***  
**Human Trafficking Curriculum**  
**Regional Training**

Family Resources Braking Traffik program will be conducting Train the Trainer events across the state in partnership with regional Domestic Violence/Sexual Assault providers and the Iowa State Sheriffs' and Deputies' Association. This comes as part of a statewide Human Trafficking Awareness and Prevention initiative through the Iowa Attorney General's Crime Victims Assistance Division.

These trainings will equip attendees to conduct awareness presentations in local middle schools and high schools using Braking Traffik's ***Any Kid Anywhere*** curriculum. They will educate students, staff and parents on the prevention, intervention and the demand for ending human trafficking.

Please consider partnering with Braking Traffik, Catholic Charities Phoenix House, and Law Enforcement to implement ***Any Kid Anywhere*** in your local schools!
