

The Internet Jungle

As an adult YOU can probably survive the Internet Jungle.

But how prepared are your children to navigate the unfiltered Internet?

SEEK, LEARN and TEACH your family how to survive.

89% of kids play games on the internet.

There are an estimated 500,000+ predators online at any time.

Have you met your child's new friend?

Would you let a stranger in your child's bedroom?

70% of teens sleep with their cell phones.

Think about that!

Internet – Friend or Foe?

Would you leave
your house
unprotected?
What about your
child's devices?

The Sextortion Lifecycle

Lifecycle can last between 3 hours to days or weeks.

In the Beginning:

→ **Suddenly my New Friend is Not My Friend Anymore**
I feel threatened - entrapped - they want more nudes OR they want money
I am scared
I am being coerced
I am intimidated
I am blackmailed

WHAT ARE MY OPTIONS?

- _ DO WHAT THEY WANT?
- _ SEND MORE PHOTOS?
- _ PAY THEM?
- _ MEET WITH THEM?
- _ SELF HARM?

NO!
