

# BREAKING THE CHAINS OF HUMAN TRAFFICKING: WHAT HOSPITALS NEED TO KNOW

- ✓ Learn the basics about human trafficking, including local statistics/information
- ✓ Hear from a survivor who was treated in a hospital and slipped through the cracks
- ✓ Discover what Mercy is doing to fight human trafficking and assist victims
- ✓ See how other hospitals and clinics can implement “trauma-informed” protocols and procedures unique to the institution’s needs
- ✓ Learn how to talk with a potential victim, find/develop community resources and how/what to document
