

Hotline Sticker

Volunteer Distribution and Posting Instructions

Iowa Network Against Human Trafficking and Slavery (NAHT)

Thank you for volunteering to join the fight to end human trafficking in Iowa. This evil crime has no place in Iowa and you have now enlisted in our mission to eradicate modern-day slavery.

Ordering the Iowa Human Trafficking Hotline Sticker

To place an order for Hotline stickers, contact Dr. George Belitsos at gbelitsos55@gmail.com. He will need your mailing address and the number of stickers you plan to post. Indicate the number of English and Spanish language stickers. Let us know what cities or counties you plan to post stickers.

Why post the Hotline Sticker?

Traffickers instill fear in their victims and a belief that no one cares. The Iowa NAHT reaches out to victims through the Hotline Sticker with a message of hope that displays both the National and Iowa hotline numbers and text message options. The sticker sends the message that human trafficking does happen in Iowa and that we each need to play a role to spot it.

The Hotline Sticker also encourages those that recognize signs of trafficking to call and report what they suspect. By increasing public awareness, the Hotline Sticker reminds all Iowans that they can take steps to recognize and report suspected trafficking and thereby possibly save innocent lives.

The harsh reality is that hundreds of Iowa victims are being trafficked every day. Ninety-eight percent of trafficking carries on undetected and unreported.

Where do I post the Stickers?

You are asked to post Hotline Stickers, especially in women's restrooms because that is the safest place for a victim to call or text or write down or memorize the hotline and arrange a safety plan to connect to services. Although posting the stickers in public restrooms is an effective location, other visible locations in a business or public place would also be appropriate.

We ask that you focus your posting of stickers in laundromats, fast food restaurants, dollar stores, Goodwill, Salvation Army, Walmart, pharmacies such as CVS, repair shops such as Jiffy Lube, free meal sites, food banks, liquor stores, dollar stores, free clinics, hospitals, courthouses, transportation centers, schools, second-hand clothing stores, social service agencies, police stations, hotels/motels, bars, stand-alone gas stations, truck stops, kybos, and convenience stores such as Casey's or Kum & Go.

Getting consent is required

Please do not post the Hotline Sticker in a facility without first getting the permission of the business or property owner/manager.
